Association of  
Neurological  
Surgeons

*Jointly Sponsored by the  
American Association of Neurological Surgeons*

# Welcome to *Key West*

Lee Ann and I would like to welcome each of you and your families to the 2005 Annual Meeting of the Southern Neurosurgical Society. John and Cathy Ragheb have worked very hard this past year to ensure an unforgettable time at the Wyndham Casa Marina Resort in Key West. Social events will include an ocean side reception with local entertainment, a Jimmy Buffet style outdoor dinner, and a banquet night of dancing under the stars. In March, the weather should be pleasant but one can count on an evening breeze. Optional tours include snorkeling, kayaking, Dry Tortugas National Park, a local garden tour, and, for the adventuresome, a pub crawl through the more famous of the local bars.

Tom Kopitnick and his scientific program committee have built a great program centered around the theme of complication avoidance. They have invited participants in the symposia who are world class southern neurosurgeons. The platform presentations also appear to be stimulating, but Tom has promised everyone that the program will end on time each day such that you can enjoy the sites of the island.

We are very excited about this year's meeting, as the last time we met in Key West was 1990. That meeting was one of Society's best ever. This year we plan to make it one up. Hope to see each of you there, March 3-6, 2005.

Rick and Lee Ann Boop  
President and Spouse

---

This year's annual meeting of the Southern Neurosurgical Society promises to be outstanding in every respect, featuring the latest scientific information from the entire field of neurosurgery. The focus of the annual meeting this year will be on complication avoidance and management, with lectures from experts in the field of intracranial, spinal, and functional neurosurgery. As in years past, there will be a broad selection of presented abstracts representing all fields and disciplines of neurosurgery. Our two keynote speakers for this year will be Dr. James T. Robertson, who will present the Henry Hudson lecture, and Dr. G. Robert Nugent who will serve as the R. Eustace Semmes lecturer. We encourage you to join us in Key West this year for an exciting and educational meeting of the Southern Neurosurgical Society in an outstanding venue.

Thomas Kopitnik, MD  
Scientific Program Chairman

The Southern Neurosurgical Society invites you to Key West, Florida, the site of the 2005 Annual Meeting. In this city of fascinating contrasts, you could easily find yourself wanting to let go of mainland hassles permanently.

Discover a city where real estate titles date back to the Kings of Spain. Stroll the palm-lined streets and discover gingerbread mansions, tin-roofed conch houses, the John Audubon House and Ernest Hemingway's home. Walk in the footsteps of Thomas Edison, Lou Gehrig, Harry Truman, and Tennessee Williams. Gaze at the fabled treasure of the galleon Atocha. Discover tomorrow's fine art treasures by Key West's well-known and unknown artists.

In Key West you can use convenient public transportation, taxis, pedi-cabs, tour trains, trolleys, bicycles or even your own two feet to see the sights. However you choose to see the town, you'll discover that old town Key West is one of America's true architectural and botanical treasures.

Once the sun is safely tucked away by jugglers, mimes, musicians and street artists, the city moves to a different beat. A night beat. The streets, filled with sidewalk cafes, open-air bars, legendary pubs and world-class restaurants come alive. Gourmets and gourmands alike treat their palates to island specialties.

This meeting will be an educational event for all neurosurgeons, residents, fellows, and investigators interested in the latest basic and clinical advances in the field of neurosurgery. Hear from experts on the latest advances in neurosurgery. This year we are delighted to have James T. Robertson, MD present the Henry Hudson Lecture and G. Robert Nugent, MD present the Semmes Lecture.

We invite you to visit Key West. Like all the Keys, you'll find it is rich in history. Don't miss this opportunity to network with colleagues and enjoy all that Key West has to offer with your family.

# Program

## Learning Objectives

Upon completion of this program, participants should be able to:

- Discuss appropriate decompression and fusion techniques for degenerative and traumatic spinal conditions as well as discuss methods used to avoid complications.
- Describe current diagnostic and treatment approaches for intracranial and skull base tumors as well as techniques to recognize and avoid post-operative complications.
- Discuss appropriate indications for surgery for movement disorders, epilepsy and spasticity, as well as recognizing common complications and how to avoid them.
- Review the latest laboratory and clinical research with potential applications to neurosurgical practice.

## DESTINATION INFORMATION

### Local Area Attractions

#### Audubon House & Tropical Gardens

205 Whitehead Street  
(305) 294-5161

Voted the #1 museum in the Florida Keys. Located on one acre of lush tropical orchid gardens. Open daily from 9:30 AM–5:00 PM.

#### The Curry Mansion

Corner of Caroline and Anne Streets

The mansion was built by William Curry, who became one of Florida's first millionaires. It is rated by the State of Florida as the only 100 point home in Key West, meaning that it has remained 100% faithful to the original floor plan and appearance in its renovation. It is also the birthplace of Key Lime Pie!

#### Ghost Tours

430 Duval Street  
(305) 294-9255  
[www.hauntedtours.com](http://www.hauntedtours.com)

Take a lantern-led evening stroll down historic Old Town's shadowy lanes and discover the ghosts, ghouls, and legends of our haunted island paradise. Tours depart from the Crowne Plaza La Concha Hotel.

#### Key West Baby Conch Farm

631 Greene Street

See scientists grow the conch babies that will help restock declining Keys conch populations. Enjoy aquarium displays and exhibits related to Mote Marine Laboratory Research.

#### Key West Butterfly & Nature Conservatory

1316 Duval Street  
(305) 196-2988  
[www.keywestbutterfly.com](http://www.keywestbutterfly.com)

Walk among hundreds of butterflies in a lush, flowering, glass enclosed tropical garden. Open daily 9 AM–6 PM. Last ticket sold at 4:30 PM.

#### Mallory Square

410 Wall Street

Located in the center of the historic Key West waterfront, Mallory Square is filled with attractions, unparalleled shopping, fabulous restaurants and the world famous sunsets.
