

SOUTHERN NEUROSURGICAL SOCIETY

SNS 2018 Golf Tournament

Thursday, March 1st - 1:00 pm

Recently redesigned by acclaimed golf course designers Peter Jacobsen and Jim Hardy, The Rookery at Marco blends a challenging resort private course with serene, natural surroundings. The course is nestled in shallow wetlands that attract many species of birds. Striking in beauty and challenge, the surrounding lakes and ponds are home to abundant wildlife, including bald eagles, alligators, blue herons and many other types of water birds.

At more than 7,100 yards in length, the playing experience includes fast greens, pristine turf condition, five tee locations, and a state-of-the-art GPS yardage system. *You and your colleagues will compete for prizes for closest to the pin, longest drive, lowest net, and lowest gross scores.*
